Additional Notes: Comanche Trail Park-North(where ComWest disc golf course is located) is a very popular and well used park. You will encounter walkers, bike riders, skateboarders, soccer games and lots of photographers. It is very important to use caution and/or a spotter while playing disc golf. There are several blind spots throughout the course where walkers do not see the disc golfer or the disc flying in the air. Park patrons on the walking path have right of way, do not throw discs at people.

Alternate Hole Guide: Due to construction of new soccer field, holes 8 through 10 were removed. New holes will be in place for tournaments using temp baskets. Permanent baskets should be installed by end of spring 2017. Alternate holes designed by the Odessa Disc Golf Association to provide 18 holes of play.

Alternate Hole A: This hole uses part of hole 14 playing backwards to hole 13 basket. Tee pad is on the walking path 150' past #14 basket and is marked on the path. The walking path, itself, is OB due to difficulty of hole. It is okay to land either side of the walking path.
